St. Mary's Junior College

## LANGUAGES

English

Fluent

Hindi

Native

Marathi

Conversational

## KEY ACHIEVEMENTS

 **Best College Trophy at Saksham Inter-College Fest** – Led multiple winning teams.

 **Student Manager of DLLE** – Successfully organized DLLE events and managed student teams.

## INTERESTS

- Reading Finance Books
- Cooking
- Basketball
- Content Creation

## EXPERIENCE

### Frontend Developer Intern – Eleplace

 Dec, 2024 – Jan, 2025

- Built and optimized UI components using HTML, CSS, JavaScript, and Tailwind CSS.
- Fixed bugs and enhanced responsiveness for cross-device compatibility.
- Collaborated with designers to improve user experience and accessibility.

## PROJECTS

### DineSpace – Restaurant Café Seat Reservation App

React Native | Node.js | Express | MongoDB

- Full-stack seat reservation app with user and admin portals.
- Implemented user authentication, real-time seat booking, and role-based access.
- Integrated RESTful APIs with Axios for data flow.

### CarVision – Car Comparison Website

HTML | TailwindCSS | JavaScript | PHP

- Developed a responsive web app to compare specifications and features of different car models.
- Designed an intuitive user interface using Tailwind CSS for seamless user experience.
- Integrated backend logic to handle user inputs and dynamic car data display.

### Wheather App

HTML | CSS | JavaScript | OpenWeather API

- Real-time weather data using API integration.
- Responsive UI with dynamic backgrounds and search functionality.

### Christmas Theme Parallax Website

HTML | CSS | JavaScript

- Created a parallax scrolling website with animations and countdowns.
- Showcased creativity through layered visuals and festive themes.
