## Front-End Developer

📞 8591272429 @pankajgupta1063@gmail.com [in linkedin.com/in/pankaj026](https://www.linkedin.com/in/pankaj026) <https://github.com/Pankaj-026> 📍 Mumbai, India

## SUMMARY

Passionate Frontend Developer with experience in building responsive, user-friendly web applications. Proficient in HTML, CSS, JavaScript, React, and React Native, with a strong focus on creating seamless UI/UX experiences. Enthusiastic about performance optimization, state management, and full-stack development. Currently seeking a frontend developer internship to apply and expand my skills in real-world projects.

## EXPERIENCE

Frontend Developer Intern –  
Eleplace (Dec 2024 - Jan 2025)

📅 12/2024 01/2025

Company specializing in web development and UI solutions

- Developed and optimized UI components using HTML, CSS, JavaScript, and Tailwind CSS.
- Implemented responsive designs to ensure cross-device compatibility
- Fixed bugs and optimized code for better efficiency
- Worked closely with designers to enhance user experience and accessibility.

## PROJECTS

DineSPace

📅 01/2023 01/1970

DineSPace - Restaurant Café Seat Reservation App

- Developed a full-stack restaurant café seat reservation management app using React Native, Node.js, Express, and MongoDB
- Implemented user authentication, seat booking functionality, and role-based access for admins and restaurant owners
- Integrated REST APIs with Axios for seamless data flow between frontend and backend

Wheather App

📅 01/2023 01/1970

Weather application providing real-time weather data

- Built a responsive weather application that fetches real-time weather data from an API
- Users can search for any city to get current temperature, humidity, and weather conditions
- Features a clean UI, dynamic background changes, and is fully responsive for seamless access across devices

Christmas Link

📅 12/2022 01/1970

Christmas themed project showcasing parallax scrolling effects

- Created a visually engaging, layered-scrolling experience to enhance holiday visuals
- Integrated animations, countdowns, and customizable holiday greetings
